

August 2019

Dear Café Proprietor

Thank you for your interest in supporting **World NET Cancer day on Sunday 10 November 2019** and the **“Let’s Talk About NETs Campaign”**.

World NET Cancer Day is an annual event created to increase awareness of Neuroendocrine (NET) cancers and to provide a voice to the NET community for improved diagnostics, treatments, information, care and research. This worldwide event is coordinated by the Unicorn Foundation who are Australia’s only charity directed towards helping people with NET Cancers.

NET Cancers are frequently misdiagnosed and early detection is key. As a global event, World NET Cancer Day draws attention to this uncommon form of cancer in the aim to start conversations amongst communities, medical professionals and governments to raise awareness about symptoms.

We need your help to make this day a success!!

We are asking cafés around Australia to use our World Net Cancer Day (Let’s Talk About NETs) coffee cup sleeves for the day. We will provide you **(completely free of charge)** with promotional packs which include cup sleeves (in 8oz and 12oz size), posters, flyers and balloons. Donation tins are also available if requested. As our way of saying thanks for your support, we would love to promote your business on our website and throughout social media.

- Medium - 300 x 8oz and 300 x 12oz cup sleeves
